Cicli Elios garantisce per 2 anni tutti i suoi telai, assicurandone la riparazione o la sostituzione in caso di difetti. La garanzia non si estende alla componentistica poiché la stessa è già garantita dai singoli produttori. La garanzia non risponde di danni o difetti dovuti alla normale usura o a modifiche, incurie ed incidenti. Sono escluse dalla garanzia le spese di manodopera e trasporto. Ogni telaio Elios riporta un numero di matricola che ne certifica la qualità. Le misure si intendono dal centro al fine.

Cicli Elios guarantees 2 years all its frames, ensuring the repairing or substitution in case of faults. Guarantee is not extended to all components as the same is already guaranteed by individuals producers. Guarantee does not respond to any damages or faults due to normal usury or modifications and accidents. Labour and Transport costs are excluded by guarantee. Each frame has a registration number which certifies the quality. Sizes are calculated from the centre to the end.
